2021 OMAMORI/OFUDA ORDER FORM

Due to COVID-19, Koyasan Beikoku Betsuin will not be selling omamori on-site during Hatsumode. In order to accommodate the public, Koyasan is implementing a pre-order system for purchasing omamori. Omamori and ofuda may be ordered using the order form below. The order form may be completed and mailed to the temple. Please include payment by check with your order form. If you are picking-up you do not have to pay the shipping and handling fee. Processing of orders is delayed as there is a high volume and we will process them in the order they are received. The temple will contact you when the order is ready for pick up. Hamaya arrows are only available for pick-up and cannot be mailed.

In the future, Koyasan will offer online ordering of omamori and ofuda. The location of the online order website will be available at www.koyasanbetsuin.org.
